

TASTING NOTE

Whitecliff offers you approachable, easy drinking wines that have made us one of New Zealand's most preferred wines for over a decade.

At Whitecliff we believe that wine brings people together, turning everyday minutes into moments - there's a little magic in every bottle of Whitecliff. Recognised for offering excellent consistency from vintage to vintage, our winemakers source grapes from a number of vineyards and regions to ensure quality is maintained. We then take these fruit parcels and apply winemaking techniques that enhance the fruits' natural characteristics, producing fruit intense, full flavoured wines.

VINTAGE	2016
VARIETY	Pinot Gris
ALCOHOL	14.5%, 8.5SD
REGION	Marlborough, New Zealand
TASTING NOTE	The aromatics are quite complex - Rock melon, rose petal, brioche, tangerine, lime zest, and baked pears with a hint of cinnamon. The palate has a very rich entry, sustained weight through the mouth, finishing with a pleasant warmth. Flavours of rock melon linger.
